MAWHINNEY-STONE.

Bryan Young Business Man Gets Bride From California.

Saturday evening at 6 o'clock Mr. Robert S. Mawhinney of this city and Miss Maude Stone of Long Beach, Cal., were quietly united in marriage in Dallas at the home of Rev. George Truett, pastor of the First Baptist Church, Rev. Truett officiating.

The wedding was one of unusual interest to Bryan people on account of the popularity of the young couple here, but came as a surprise to the many friends of both, as very few knew of their plans.

The bride is a sister of Mrs. Lynn Rushing of this city and has been a visitor here a number of times, making a large number of friends during these visits by her sweet and gracious manner. She is a daughter of Mrs. H. J. Stone of Long Beach, Cal., who accompanied her and was present at the wedding. The Eagle bespeaks for this bride of the new year a cordial reception into the social circles of Bryan.

The groom, one of Bryan's active young business men, was born and reared in this city and has gained the confidence and trust of all his business associates and has a large circle of friends not only in Brazos County, but in other portions of the State. He is one of Bryan's most worthy young men, quiet in manner, and of exemplary habits. He has the invaluable gift of making friends among all with whom he comes in contact.

The many friends of both extend hearty congratulations and express best wishes for a happy future.

Mr. and Mrs. Mawhinney arrived in Bryan last night and will be at home to their friends at the home of the groom's mother.

PROF. SOUTH TO HOUSTON.

Prof. H. W. South has resigned his position of bookkeeper for the Cole Hardware Company and has gone to Houston to accept the principalship of the Barnett School, a very select private school of that city. Mr. Barnett, head of the school, died recently, and the directors tendered the position to Prof. South and it was accepted. His selection was a wise move on the part of the directors, as Prof. South is one of the able and experienced educators of the State. He has held chairs in the Ball high school of Galveston, the A. & M. College, and was for several years a member of the faculty of Allen Academy.

His family will remain in Bryan until the close of the present school term.

Card of Thanks.

I want to sincerely thank the fire company, my neighbors, the Allen Academy boys and others who so generously helped to save my property from destruction by fire Saturday afternoon. I am very grateful for this assistance and extend to all my deepest thanks. W. G. REYNOLDS.

Card of Thanks.

We take this method of thanking our friends and neighbors for their kindness during the sickness and death of our beloved husband, brother and uncle, T. J. Sawyer. We ask God's richest blessings on each. M. L. SAWYER, Wife.
